

Smart Start

with A-dec

SPECIAL SAVINGS TO JUMP START YOUR FIRST PRACTICE.

Opening your first practice is a big accomplishment. And sometimes stressful. We'd like to help make it easier with **25% off retail prices when you open your first practice.**

That goes for ongoing A-dec equipment, furniture and clinical purchases for the next two years. Reach out to your local A-dec rep to see if you're eligible for the Smart Start program.

We also offer:

- CE courses to help you along the journey
- Opportunities to schedule a complimentary 45-minute interior design consultation
- Equipment test-drives at the A-dec Educational Center
